The project superintendent, Mr. W.D. Westerfield, Morganfield, Ky., makes the following estimate of Robert L. Bidwell as a workman: Enrollee Robert L. Bidwell has been under my supervision for the past 21 months. He has served in the SCS overhead as an assistant to camp engineer and agronomist. Bidwell has had charge of a crew of five enrollees on map making surveying out terrace lines and contour lines. He has also assisted the agronomist in writing up SCS agreements. Bidwell is Loyal, energetic, of good personality, and is very quick to grasp a new idea. Bidwell is one of the most outstanding enrollees that I have ever known, and I rate him as excellent in every trait. I recommend him as a Junior agricultural or Engineering Aide, or any highway surveying job as a levelman.
